

What services are provided?

- Information and Referral
- Monitoring/Investigations
- Short-Term and Technical Assistance
- Mediation/Negotiation
- Systemic Advocacy
- Direct Representation
- Legal Representation

DRA priorities are developed annually by the DRA Board of Directors with input from individuals with disabilities, advisory councils, staff, professionals, the disability community at large and the general public.

Other considerations in developing priorities are the analysis of calls to DRA, service requests, systemic issues, community needs assessment meetings, agency resources and agency mandates.

For a listing of DRA priorities, visit our website or contact us by phone or email.

DRA Mission:

Vigorously advocate for and enforce the legal rights of people with disabilities in Arkansas.

This brochure was funded by the U.S. Dept of Health and Human Services/Administration for Community Living, the Substance Abuse and Mental Health Services Administration, the U.S. Department of Education, Office of Special Education and Rehabilitation Services, and the Social Security Administration. **Upon request, this brochure is available in other formats, including Braille, large print, on disk, and in Spanish.**

DisabilityRights ARKANSAS

Disability Rights Arkansas

DRA is the federally authorized and funded nonprofit organization serving as the Protection and Advocacy System (**P&A**) and the Client Assistance Program (**CAP**) for individuals with disabilities in Arkansas.

DRA is authorized to advocate for and protect the human, civil and legal rights of all Arkansans with disabilities consistent with federal law. DRA services are provided free of charge.

HAVE QUESTIONS?

Do you believe your rights have been violated or that you have been discriminated against based on your disability at school, on the job, in housing, or where you receive services?

Do you believe you have been neglected or abused in the facility where you receive services?

Do you suspect your child may have a disability and may need help in school or preschool?

Are you able to fully participate in the electoral process e.g., an accessible polling site or a working electronic voting machine?

Does your teen's IEP address transitioning into independent living, post-secondary or higher education, and/or meaningful employment?

Are you having trouble obtaining community based services? Would you like to work, but you're encountering barriers?

Have you been denied funding for assistive technology that could help you gain or maintain your independence in school, at work or in daily living?

Are you able to find accessible parking, and access businesses, schools, restrooms, parks, and recreational facilities? Is your apartment accessible?

Are you having trouble obtaining accommodations for your disability at work?
