Regulation	Discussion/Observation
R908.5	Nurses and Maintenance have key access, but are not in the buildings at all times.

**Regulations Not Correctable:**

No regulations marked as not correctable.

**Narrative:**

Viewed Sturgis building. Viewed three rooms at Chestnut. It was made aware during our visit that a therapist had tested positive for Covid and that several of the children were being immediately put on quarantine. As we tried to visit Mabee House and Rose House, we were made aware that due to the Covid positive therapist, clients from those homes were also being put on immediate quarantine. Chestnut, Sturgis, and Mabee homes were in ratio.
