Notice of Incident

Date of Incident: 3/9/2021
Date Reported to DCCECE: 3/29/2021

Agency Name: Piney Ridge Treatment Center
Agency Number: 203
Type of Facility: PRTF Facility License Type: Regular

Type of Incident: Maltreatment

Incident Description:

While following up on another issue at Piney Ridge, I was calling staff members regarding questions about the condition of the facility, I spoke to Behavioral Health Associate [redacted] on 3/29/21. She advised me that, a few weeks ago, in a previously reported incident [redacted] DOB [redacted] was struck in the face by [redacted] DOB [redacted] and [redacted] suffered a broken nose and two black eyes, to the point that both his eyes were swollen shut. [redacted] advised that she was told by both boys that [redacted] had made the comment to [redacted], "There are no cameras outside." She said that both boys told her this. She also stated that restraints were used on [redacted] following the incident and I noticed that this was not mentioned in the original report on th incident tracker. She mentioned that she was present at the nurses station and stated that [redacted] was screaming, "This is all [redacted] fault."

Agency's Interim Corrective Action: Upon discussing with necessary leadership today, we would prefer to have [redacted] work the day shift under direct supervision of a supervisor and he will not provide discipline or participate in a restraint. We will have the supervisors sign off that they are aware that he needs to be in direct supervision of the supervisor and cannot participate in restraints. As previously stated, he has already been reeducated on de-escalation techniques, CPI and Zero Tolerance. Is this ICAP approved?
Thank you and please have a pleasant afternoon.

Rachel responded back and advised that the Interim Corrective Action was approved on 4/9/21.
