Narrative

On 5-7-2019 at approximately 0840 hours, I was dispatched to 20400 Colonel Glenn Road in reference to found marijuana in a room. Upon my arrival I made contact with Peggy Kelly, director of Colonel Glenn Youth Home Inc. Peggy advised me that a very small amount of marijuana was found in the Crestview House. It was located in a room that is shared by two females. Peggy advised that she is not able to know for sure who had the marijuana and would not be able to press charges. Peggy advised that the two females are residences of the Youth Home and do not have passes to leave the property. Peggy further advised that she believes the marijuana is coming from children that are in the day program. Peggy advised that she would like a K9 to search the property in an attempt to take control of the drugs being brought to the Youth Home. I advised Peggy to make contact with Lt. Kornas, due to him being the Southwest Lieutenant. The suspected marijuana was logged into tracker and placed in the Pulaski County Evidence room.
