Injury Description						

**Narrative & Statements****Narrative - Fraser, Jason - 5/19/2019 (Initial)**

On 5/19/19 I was dispatched to Complainant (Dacus Residential Treatment Center) for combative patient. I arrived and made contact with Victim #1 (Liebe, Jo Andrea Lee). She advised me a male patient was hitting and slapping her. He had made contact to her head and arms she claimed. I noticed very minimal redness at the time. She stated it had been a little bit and the redness was already gone. Staff contacted medical doctor who denied transport to another facility and refused charges. I was not able to receive any suspect information due them claiming it was a HIPPA violation. I was advised they had the situation under control and i was no longer needed.
