**Narrative - Cutrell, John - 6/2/2019 11:45:00 AM (Initial)**

On June 2, 2019 at approximately 1145 hours this officer, John Cutrell, was dispatched to Mill Creek for a runaway. Upon arrival I made contact with a worker that provided me with a picture and the subjects information. Myself and Officer Roger Wood looked in the area for the subject. Officer Wood located the subject

entering the Exxon gas station on Edgar Street.

I entered the store and officer Wood had the subject in the back of the store and the male subject broke free and took off running. As I was coming around the corner the male subject charged at me knocking me to the ground. The male subject ran out the front door and I followed the subject out the door and tried to catch the subject. The male subject was wearing a black shirt and shorts. The subject ran behind MCDonald's in to the field. The subject was able to get away after coming around the corner of some trees. Trooper Plyer advised they had the subject and I met them at Exxon to take custody of the subject. The male subject was transported back to Mill Creek and released back into there custody.
