Suicide Attempt

On 08/21/2019 at approximately 1226 hours, I was dispatched to 20400 Colonel Glenn regarding a suicide attempt.

I arrived on scene and made contact with [REDACTED] and Syretta Dodson. Dodson stated that she observed [REDACTED] sitting in a chair with a sweater around her neck. She said that she was unsure if [REDACTED] was conscious. She said that she started chest compressions and after around 15 seconds, [REDACTED] became alert.

I asked [REDACTED] why she wanted to hurt herself. She said that everyone was upset with her. She said that all her friends and her family were mad at her. I asked if she like the employees at the youth home and she said she did. I asked her if she had ever tried to hurt herself in the past and she said yes. She said that she tried to overdose on aspirin a couple months ago. Employees stated that [REDACTED] has a history of self harm.

I did not observe any marks on [REDACTED] neck. MEMS arrived and transported her to Children's Hospital. I advised the employees at the youth home to contact us if they have any questions.
