Narrative & Statements								

**Narrative - McGinnis, Jeffery A - 3/14/2020 (Initial)**

On the above date I was dispatched to the Dacus facility for assault that already happened, when I arrived I spoke with a nurse (Shelly Loggins) who just got there to replace the nurse that got injured due to a fall not related to this incident, I watch a video of the juvenile punch a staff member and another staff member came in and put the juvenile on the floor.

I then spoke with Nathaniel Cooper and he said the juvenile punched him in the left eye there was redness above his eye. See Cooper attached statement.

I contacted Amy Powell juvenile officer on call and she advised me to send the statement to her. I listen to the nurse (Loggins) talk about this juvenile history of violence on the other juveniles there and she said that this juvenile knocked another juvenile out earlier this week and stomped on his head I asked her if she called the Police and she said they only call when it involves staff members.

I went and spoke with the juvenile and ask him what happened and he said that he got mad over a video game and acted up. The juvenile was very calm at this time and said that he would not cause no more trouble.
