

DRA WANTS TO HEAR FROM YOU

Disability Rights Arkansas, Inc. (DRA) works to protect the civil rights of persons with disabilities statewide. Every year, we solicit public input from people with disabilities, their family and friends, service providers, and other interested parties to determine what the needs are and whether our current priorities are targeting those needs. The priorities DRA has worked on in 2022 can be found here: <https://disabilityrightsar.org/priorities/>

DRA welcomes input in any manner individuals wish to provide it. If you would like to fax or mail the survey, you can fax it to 501-296-1779 or mail/deliver it to: Disability Rights Arkansas, 400 West Capitol Avenue, Suite 1200, Little Rock, AR 72201.
