Battery 3rd

On 02/20/2020 at approximately 1535 hours, I was dispatched to 20400 Colonel Glenn regarding a battery.

I arrived on scene and made contact with Marcus Daily and . Marcus stated that he was teaching a class that was in. He said that was talking to a group of girls. Marcus said that has had issues with girls in the past. He said that he wanted to separate from the girls and move him near a group of boys. Marcus said that he became argumentative. He said that they both walked outside the classroom to discuss the issue. Marcus said that struck him on the left side of his face. Marcus said that he held against the wall till additional staff could assist. I observed a small red mark on Marcus's left cheek.

has a history of disruptive behavior. He has shown aggression in the past. I talked with about the altercation. I explained to him the consequences of his actions if this was to continue. The staff stated that is going to be in their custody for a few more months. I told the staff to contact the sheriff's office if starts to show aggression so I can come by and talk with him and anyone else that is having the same issue.

Marcus was advised on the steps that he needed to take to press charges. He was given a report number.
