SUICIDE ATTEMPT

On 03-03-2020, at approximately 1304 hours, I, Deputy R. Jones, was dispatched to The Youth Home Center, at 20400 Colonel Glenn Road, in reference to a suicide attempt.

Upon arrival, I pulled into the parking lot of building 9, at the above listed address. When I made it inside of building 9, I noticed 7 staff members of the Youth Home Center were gathered into a corner, of the central hallway, of the west side of the building. The staff members appeared to have the male subject cornered between them and a wall, barricaded to keep him from fleeing. When I approached the male subject, he was facing the wall with his forehead planted into the corner of both walls. I noticed the subject had his hands tucked in between his chest and the wall as if he was concealing an object.

I was advised the male juvenile's name was, [REDACTED]. I advised [REDACTED] to drop whatever he had in his hands. [REDACTED] stated he did not have anything in his hands. [REDACTED] was advised to put his hands behind his back and he complied. I handcuffed [REDACTED] behind his back and walked him into the entrance sitting area of the building to be seated in a chair, awaiting medicals arrival. I noticed [REDACTED] had several deep cuts on his inner forearm area.

I then made contact with the Quality Behavioral Healthcare Provider, Marquette Lison. Marquette stated [REDACTED] arrived at the center around 1230 hours, from school on today, 03-03-2020. Marquette stated [REDACTED] had been suspended from Joe T Robinson High School today, for threatening his school teacher. Marquette stated 20-30 minutes after returning to the Center from school, [REDACTED] wanted to go into his room. Marquette stated he advised [REDACTED] that he was not able to allow [REDACTED] back into his room and that [REDACTED] door was locked. Marquette stated [REDACTED] then grabbed a glass mug from off the kitchen counter and threw it to the floor, causing it to break. Marquette stated [REDACTED] grabbed pieces of the broken glass and began to cut himself on both of his arms. Marquette stated [REDACTED] ran outside of the building and continued to cut himself on both of his arms. Marquette stated [REDACTED] began to run toward the wooded area across the street from the building, but then he returned inside of building 9. Marquette stated at the point of [REDACTED] return back inside the building, the all call staff members arrived to the building 9. Marquette stated staff members gathered around [REDACTED] in the hallway to form a barricade around [REDACTED]

I made contact with [REDACTED] again to question him about the suicide attempt. [REDACTED] advised he was not trying to kill himself but that he was very angry and felt like cutting himself.

MEMS 618 arrived on scene to assess [REDACTED] and transported him to Children's Hospital for further evaluation.

I made contact with the Clinical Therapist, Kraig Butler. Kraig provided MEMS with information stating [REDACTED] has been

diagnosed with oppositional defiant disorder, anxiety, and depression.

Marquette was provided with the incident number and advised to contact the Pulaski County Sheriff's Office any assistance.
