REASON / DETENTION INFORMATION

On July 27th, 2020, I, Ofc. D. Dowdy, was dispatched to 1521 Albert, Peremiter. Upon my arrival I made contact with Debra Pittman. Ms. Pittman stated that she was advised by her paitent [REDACTED] that last week when he escaped from Woodridge that he broke into the nursing home across the street by throwing a rock through a window, and then crawling in through the window. Ms. Pittman stated that he advised her that he climbed through the window into the building, and tried to get into the main building but was unable to do so. I advised Sgt. Callahan. Sgt. Callahan then went to Crestpark and did observe a broken window in the area [REDACTED] described (around the right side of the building if you're facing the building, and down the alley way). Sgt. Callahan made contact with Crestpark who advised they would not be pressing charges.
