Case Supplement**

On September 25th, 2020, Marissa Lavin (08/10/1998) called to update this report. Lavin advised that she was able to obtain the serial number and the IMEI number to her stolen iPhone 11.

Serial #G0NZLZ5SN727 and IMEI # 353969106428146

Lavin also stated that she had spoken with the nursing supervisor that was on shift at the time of theft, Cassi and was told by Cassi that she was not able to review the video footage due to it being live feed. Lavin stated she was unsure if the nursing manager was telling the truth or if she did not want to bother helping her with the video footage.

I advised Lavin I would update her report with new information, and I would get her iPhone entered in the nationwide database as stolen. I advised her to call the police department should additional information develop.

The iPhone 11 was entered into ACIC/NCIC as stolen.
