Suicidal thoughts

On Sunday, April 18, 2021, at approximately 2013 hours I was dispatched to 20400 Col. Glenn Road, The Youth Home, in reference to a juvenile actively cutting her wrist. I was advised that staff was attempting to restrain her.

Upon arrival I made contact with staff members and asked where the juvenile was that was attempting to kill herself and fighting with staff. They pointed to a white female, later identified as _____ laying on a mat on the floor. They advised that she was not fight and had attempted to "cut" her wrist with her finger nails throughout the day. They did advised that she had been making statements about killing herself. The staff advised that they spoke with her guardian, Tammy Hardin, and she advised them to send her to Bridgeway for help. MEMS unit 702 arrived on scene and transported _____ to Bridgeway for treatment.
