Suicidal Juvenile

On June 21, 2021 Deputy Tallent and I (Deputy Thorn) responded to 20400 Col. Glenn Rd. in reference to a suicide attempt. Upon arrival we made contact with Caitlin Henthorne, a case worker at Youth Home, Inc.

Henthorne stated that [REDACTED] had swallowed an unknown amount of glass. Henthorne also stated that [REDACTED] was biting and scratching herself causing behavioral concerns. [REDACTED] had been scratching and trying to bite the employees while she was being held down by her arms. The employees held [REDACTED] down to prevent her from injuring herself.

Once we made contact with [REDACTED], we observed two employees sitting next to her holding her arms. [REDACTED] was not being aggressive at that time. [REDACTED] asked "where am I going to go" upon seeing the deputies. Deputy Tallent advised [REDACTED] that she was going to be transported to the hospital for evaluation. At that point [REDACTED] began to stand up as if she was ready to go. [REDACTED] was advised to remain seated until the MEMS crew arrived on scene. I advised dispatch that the scene was secure and requested MEMS. MEMS unit 83 arrived a few minutes later and advised [REDACTED] to have a seat on the stretcher in which she complied without incident. MEMS transported [REDACTED] to the Arkansas Children's Hospital for an evaluation.
