Regulation	Discussion/Observation
R911.6	Tile in shower floor of one room is missing. Edges are not sharp, but area should be patched with cement or retiled to prevent further deterioration.

Regulations Not Correctable:

No regulations marked as not correctable.

Narrative:

unannounced visit on 1-28-21 by Specialists Carlton and Reader. Reviewed med logs and emergency evacuation logs. Staff was actively painting the orange unit. Mattress had a 5 inch or so gash in it in room 304. Staff stated they had brand new mattresses in storage and he left to go get one while we were there.

T/A shower floor tile was missing in one room but it was not sharp. However, repair should be made with cement before further deterioration occurs.
