Regulation	Serious Violation	Discussion/Observation	Due Date	Correction Date	Corrected On Site
R911.15.f	Yes	Strings in sweat pants were noted in a resident's room. Staff removed the sweat pants and took them to the nurses station so that the string can be removed from the clothing.	6/24/2021	6/24/2021	No

**Regulations Needing Technical Assistance:**

Regulation	Discussion/Observation
R911.10	A/C units were randomly out of service around the facility. A/C units have been not working for about a week. Facility operations manager reports that there is an order in to fix the existing system, some units have already been restored, and portable air conditions along with fans have been brought into the facility in the meantime to cool the rooms. Water was noted in the 100 hall running into the hallway. May be a possible leak. Noted water damage along hall wall. Licensing Specialist had staff place a caution sign in the hall to warn others and requested maintenance clean up the water as soon as possible. The facility will have the leak assessed.
R913.5	Several rooms were noted to have no bed sheets or pillow cases. Licensing Specialist noted the rooms and spoke directly to the residents assigned to those rooms. Each resident confirmed that they had denied the sheets and prefer to sleep without sheets.
