Narrative:

At 10 am on June 25th, 2021, Assistant Director Ashelyn Abney and Program Manager Ebony Russ traveled to Piney Ridge Treatment Center for a scheduled meeting with the CEO/Administrators and supporting staff to discuss the operations of the facility and to participate in a tour for the facility. CEO Matt Wiltshire introduced his staff and allowed for them to give a brief description of the duties at the agency. There was opportunity to discuss and ask additional questions concerning the agency's operations. Those discussions lasted approximately one hour. AD Abney and PM Russ were then introduced to the newly created Student Council at the agency. The youth allowed for Q & A after they each spoke about their concerns and likes while at the facility. After meeting with the Student Council, a tour of the facility to show the facility's progress was conducted. The following areas were observed: Honors Room, Gym, Game Rooms, Outside Activity, Cafeteria, East, West, North, South wings and Garden Area. After the tour of the facility, a debrief session occurred to share Licensing's concerns for the facility and to identify the progress that has been made. CEO Matt Wiltshire, Justin Hoover, Millcreek CEO Brady Serafin and COO Cole Mitchell were in attendance at this debriefing. After the debriefing, AD Abney and PM Russ left the facility around 12:45 pm on this date.
