Mr. Mobley showed specialist the fence outside due to the multiple elopements at the facility. Mobley stated they plan to put slates in the fence so the residents cannot get their feet in the crevices of the fence to climb over. Mobley stated it will take about 2 weeks to complete this project.

Mr. Mobley emailed specialist copies of the following documents:

1. Medication records
2. Observation Records
3. Master Insurance Certificate
4. Vehicle Insurance Cards
5. Fire Drills
6. Arkansas Health Inspection License

Specialist also discussed the Covid-19 concerns with Mobley. Mobley stated they currently have 41 residents that tested positive and they have been separated from the other residents. Mobley stated they are continuing to remind the kids to wear masks but some are defiant. Mobley stated only the residents that test negative are required to go to school. Mobley stated they supply cleaning supplies to the staff but 2 weeks ago that was a problem due to the shortage of supplies in stores. Mobley stated that getting wipes is still a major problem.
