On 9/9/21, I, Steven Pitts, and Program Coordinator, Austin Clowers conducted a building and grounds inspection at United Methodist Children's Homes on the Little Rock Campus. This inspection was of the Psychiatric Residential Treatment Facility only. I checked the med logs on the girl's floor and it was documented within standards. I also checked the med logs on the boy's wing and it was good as well. Ratios were as follows; Girl's group room had 3 staff and 16 kids, 1 girl gone to the dentist, boy's milieu 1 staff to 4 kids. Current census is 21. No issues were found during the walk-through.
