Licensing Specialist conducted visit from 9:30-11:00

Licensing Specialist discussed the incident on [REDACTED].21 regarding resident [REDACTED] being assaulted by two other residents. Video footage was reviewed for the incident.

Video footage shows ratio at 6 residents to 1 staff. Staff responded quickly to the incident and called for back up. The nurse can be seen assessing the resident within three minutes of the incident.

Corrective actions by the agency include the resident will move to a different bedroom as one of his attackers was a roommate and he will be on peer restriction to ensure his safety from his two attackers.

Licensing Specialist discussed a second incident that occurred on [REDACTED].21 involving resident [REDACTED]. in which he attempted to elope, threatened staff with screws, self-harmed with a pencil, then attempted to hang himself with socks tied together and onto a light fixture in his bedroom.

Corrective actions taken by the agency include assessing the resident on the Columbia Suicide Severity rating scale and placing him on suicide precautions. It is unknown at this time where the resident obtained screws, but staff will continue to look into this to secure any potential hazard on the unit.
