Incident Description:

Client was upset due to not being able to accept information. After being asked to log off the music while in ILP (Independent Living Program). Client became frustrated while in ILP and started using racial slurs while in the video class. Staff asked client to refrain from using that kind of language. Client went into his room, on his own and returned to the milieu and continued being belligerent influencing other client to engage in like behavior. This behavior continued after being assigned table time for several infractions such (refusing to accept information, cursing, yelling, using racial slurs (Big Black Nigger) walked out of the house without permission, ignoring staff's redirection. Client attempted to run to the Administration building and staff was able to cut him off (directly in front of Crestview near the parking lot on the side of the van). Client purposely dropped down to the ground and grabbed staff right leg and began to bite his leg several times.

Agency's Interim Corrective Action: This young man was sent to acute after this incident and was referred to a higher level of care. He entered our Residential program but was sent to acute again yesterday. He threatens and attacks staff when he escalates. He will discharge back to our residential program and we will try again to help him learn better coping skills.
