**Details from Follow-up:** 4/19/2022-PaSonna Hope reported to the Licensing Specialist that a camera review will be conducted today to determine how the resident's eloped. Resident eloped using a key fob from a staff that they had obtained by an unknown way.

4/26/2022-Licensing Specialist reviewed the camera footage with specialist Eleanor White. Staff can be seen on the unit 2:9 on the 300 hall. There is an incident that takes place off the unit in which both staff leave the unit as the 9 residents remained unattended. Four of these residents then use what appears to be a staff key card to elope. A female staff enters the unit and sits with the remaining 5 residents as she is unaware of the elopement. The original male staff re-enters the room 10 minutes later and continues to monitor the 5 residents unaware that 4 residents have eloped. Staff was unaware of the elopement for 42 minutes until the local fire department called to report 1

resident at their fire station.
