Case Narrative**

On 03-27-2022, at approximately 2100 hours, I responded to Piney Ridge at 4253 N. Crossover Rd. for a report of a disturbance. When I arrived on scene, staff members stated a large fight broke out between the juveniles at the facility. One staff member stated she got hit with a chair, but I never received a statement. One juvenile had injuries to his face and arm, but a statement was never able to be received from him either. A second staff member approached another officer and I, asking us to leave due to us carrying firearms. We exited the facility to the outside of the building. A supervisor was notified of us being asked to leave due to the circumstances.

Another staff member, identified as [REDACTED] came outside crying. [REDACTED] is a student [REDACTED] and a behavioral specialist with Piney Ridge in the girl's wing. [REDACTED] stated as the fight erupted, she was assisting with holding a patient back from entering the fight. The patient was identified as [REDACTED]. To get away from [REDACTED] grabbed her by her thumb and bent it backwards to her arm. [REDACTED] pushed [REDACTED] into a wall and proceeded to kick her in the stomach while doing so. [REDACTED] was able to leave the area of the fight.

[REDACTED] stated Piney Ridge has no safeguards for their employees. Stating they are unable defend themselves when being attacked. [REDACTED] insisted she did not want to pursue charges and stated her employer would do nothing to help her. [REDACTED] was evaluated by medical staff before being transported to the hospital by a co-worker.

No other staff exited the facility to speak with officers. I have no further investigations into this incident. This incident was recorded on my MVR in unit #1303 and my Axon body worn camera.
