Notice of Incident

Date of Incident: 6/25/2022

Date Reported to DCCECE: 6/27/2022

Agency Name: Youth Home

Agency Number: 128

Type of Facility: PRTF

Facility License Type: Regular

Type of Incident: Emergency Room visit

Incident Description: Client [REDACTED] Patient presents at nurse station endorsing that [REDACTED] hurt [REDACTED] right hand while

punching [REDACTED] pillow up against the wall to release aggression. Nurse processed with patient that punching against a hard object being the wall is dangerous.

Nurse assessed right hand and noted digit 3,4, and 5. Pt right hand red at knuckles, and skin slightly abrasioned. Patient reports pain in fingers and knuckles of right hand. Pt is able to squeeze with right hand with moderate strength. Nurse contacted on call physician and orders received to reassess it at

8pm to give ice pack treatment and Ibuprofen ample time and then reassess for orders at that time.

Pt reports full sensation noted at all locations of right hand. Notified MD of findings and MD stated to send client to ER. Pt assessed after returning from ER. Reported pain 2-3 and declined pain medication. Splint had been removed from hand by pt and was sitting on chest of drawers.

Agency's Interim Corrective Action: Client transported to ER.
