**Date of DCCECE's Follow-up:** 7/26/2022 **Type of Follow-up:** Facility visit.

**Details from Follow-up:** Facility visited 7/26/22 regarding complaints. Incident referred to in this complaint 2/22/22 is almost exactly like documented incident reported 2/9/22 previously addressed by Licensing. In the event this is the same incident listed in this complaint, therapist was seen on

video lunging and grabbing at client during an altercation. On 2/10/22 facility cited 905.4g and 907.2.

No incident reports from 2/22/22. Incident report from 3/6/22 from 2 staff (for same incident) reviewed both which read “called code red/stat 13...no assistance from any other program...no shift supervisor”. Staff present today [REDACTED] states that shift supervisor [REDACTED] was present on this day. The two staff writing the reports would indicate adequate staff ratio for two clients in an altercation. Incident report from 3/7/22 reviewed. 2 staff both wrote reports on same incident “no staff came to help despite codes being called”. This incident’s statements reviewed to be an altercation between 2 clients. Mike James (present today), Senior Program Director which includes Destiny House, was able to determine client transferred [REDACTED] was [REDACTED]. [REDACTED]

No definitive evidence from statements reviewed to support a licensing violation at this time.
