## Notice of Incident

**Date of Incident:** 7/27/2022

**Date Reported to DCCECE:** 7/28/2022

**Agency Name:** Youth Home

**Agency Number:** 128

**Type of Facility:** PRTF

**Facility License Type:** Regular

**Type of Incident:** Suicidal/Threatening Behavior/Elopement

**Incident Description:** [REDACTED] was at Rec Group on the court at 9:45.. [REDACTED] was anxious to go out but was withdrawn. [REDACTED] approached staff about 10:10 asking if we could go back to the house that [REDACTED] was feeling anxious. Staff gathered [REDACTED] peers and headed towards the house. [REDACTED] peers asked if [REDACTED] left [REDACTED] ball/water bottle, [REDACTED] became very agitated. As the group got closer to Mabee House [REDACTED] took off running down Colonel Glenn RD at 10:15 am. A Dr. Scholls Call was made. Staff pursued pt. Pt briefly ran into the woods but then returned to running down the street. Staff pursued pt but pt would not stop running and refused to return to campus. Pt was placed in a personal restraint on the side of the road. Staff arrived with a YH van to transport pt back to the house. Pt struggled against the restraint as staff tried to escort pt to the van. Staff provided verbal support to pt and asked pt if [REDACTED] would get into the van. Pt continued to struggle briefly before staff were able to help [REDACTED] get into the van. While in the van, pt hit staff holding [REDACTED] and attempted to kick the driver. Additional staff assisted and pt was driven back to Mabee house. Staff informed pt that they would not be releasing pt until [REDACTED] was back inside the house. Pt agreed to exit the vehicle but attempted to break free from staff's hold. Pt then sat down while in the restraint. Staff sat on the ground with pt and continued to provide verbal support. Pt stated "I just want to die. I don't care that you all care. I just want to die." Staff continued to provide support to pt and pt agreed to stand up and walk into the house. Upon entering the house pt was released from the restraint. Pt went to [REDACTED] room to change clothes but staff heard banging. Pt was hitting [REDACTED] head on the wall and hitting the door. Staff tried to de-escalate pt but pt continued to self-harm. A personal restraint was initiated. Pt initially struggled against the restraint and attempted to hit [REDACTED] head on the floor. Staff placed a cushion on the floor to prevent harm to pt's head while continuing to provide verbal support. Pt asked staff to leave [REDACTED] room. Staff continued to support pt and pt was able to stop fighting against the restraint as well as stop self-harming. Pt was able to contract for safety. Staff offered pt [REDACTED] water bottle and cold wash cloths. After being released from the personal restraint, patient was observed sitting on [REDACTED] bedroom processing with staff. Pt voiced that [REDACTED] was upset about not getting

█ transitional level, and having to watch all of █ peers discharge from the program. During nursing assessment, patient was very minimal with █ words. Pt denied pain or injury from the restraint. Pt was given cold towels, and water bottle after attempting to run in the heat. PRN █, was offered during restraint and after. Pt declined medication both times, and stated that "nothing will help." Pt also offered treatment for █ abrasions that were done last night. Pt declined. APRN and guardian notified. Pt placed on house restriction and run risk. Will continue to monitor and follow treatment.

**Agency's Interim Corrective Action:** Client █ placed on house restriction and run risk.
