Narrative:

Licensing Specialist Rice viewed the 400 Hall entrance, fence removal, and the doors. Specialist observed the doors closing and not closing. The Director of Quality and Risk Management informed Specialist that the doors will be repaired on 8/31/2022. Where the fence was removed, Specialist observed metal sticking out the maintenance shop and made the Director of Quality and Risk Management aware. She contacted maintenance and maintenance agreed to repair the metal on the wall of the maintenance shop today, 8/25/2022.

No licensing concerns noted.
