Licensing Specialist completed a buildings and grounds walkthrough of the water damage of EMCC.

Licensing Specialist observed where the restoration company (Service Pro) had cleaned up the water and removed the debris. The damage was mainly to the common area between the dorms and the North Dorm. South and East Dorms and including the nurse's station flooded with water only per staff.

Licensing Specialist was informed the flooring is scheduled to be pulled on 1/5/2023. The wood in the ceiling has been resealed and will be inspected again on 1/5/2023 to see if wood needs to be resealed. All bids have been submitted to the insurance company and the facility is hoping that a decision is made soon.

Licensing Specialist and Ms. Knowles discussed the process of the renovations and the alternative plans that were made for the residents.
