Licensing Specialist completed buildings and grounds walkthrough of the Blue and Orange Units and outside. Licensing Specialist Kendra Rice and Program Manager Sharra Litzsey was escorted by Ralph Pena, Maintenance.

Blue Unit, no residents were present due to being at school. All bedrooms, mechanical room, day area, and breaker room were observed. Bedroom #103 was rough around the shower drain. Ralph Pena informed Licensing Specialist that he would sand around the drain for smoothness. There was missing tile in the hallway, but concrete flooring was applied for smoothness and balance.

Orange Unit, no residents were present due to being at school. All bedrooms and day area were observed. Bedroom #201 had roughness around the shower drain. (corrected by maintenance) Bedroom #204 the screw around the shower drain was sticking out. (corrected by maintenance) Ralph Pena was made aware of these issues and informed Licensing Specialist that he would apply epoxy to both drain areas.

Nursing station ratio: 2:5

Background checks reviewed for the following new staff:
