Report Description: Residents Name/DOB: [REDACTED] Date/Time of incident: 10.13.22 10:00pm Please give a description of the incident: Per staff report last night around 10pm. The resident took the staff member's phone and placed it inside of his pants. The staff member followed the resident inside of his room and repeatedly asked for the phone back. The resident is observed per camera review rubbing his genital area and gesturing for the staff member to retrieve it from his pants. The resident finally gave the staff member her phone. As the staff member is walking out of the resident room, the resident slaps the staff member on her buttock. The staff member is observed reaching around to grab the resident's hand to stop him. The resident then grabs the staff member around her waist trying to throw her on his bed. The staff member is observed trying to get away from the resident. The staff member is finally able to get away from the resident and walks out of his bedroom. Actions Taken: Resident has been placed on an updated specialized sexual plan and sexual precautions. The resident is currently housed on the Sexual Rehabilitation Unit in a single room placement. The staff member involved will no longer be assigned to work with this resident and offered a Life Assistance Program. Guardianship: Foster Care Placement

Interim Action Narrative: Resident's specialized sexual plan was updated and he was placed on sexual precaution. He is on the SRU in a single room. Staff member will no longer be assigned to work with this resident and she was offered Life Assistance Program.
