Licensing Specialist received a complaint on 10/12/2022 that a resident [REDACTED] had been sleeping on the floor. It was reported to Licensing Specialist on 10/19/2022 that resident ([REDACTED]) stated that he did not have a room and sleeps on a mattress in the dayroom.

Licensing Specialist completed a walkthrough of the green unit with Nurse Anthony. Resident [REDACTED] was on her mattress in the dayroom due to being on "line of sight" precaution. She was placed on precaution on 10/24/2022. Licensing Specialist viewed all bedrooms on the green unit. Residents in bedrooms 301, 303, and 305 were still up with their lights on. Some residents were sitting on their floor, cleaning their bedroom, and walking around. A resident asked why Licensing Specialist was out so late and inquired if someone was in trouble. Residents in bedrooms 302 and 304 were asleep and their lights were off. Resident [REDACTED] is currently housed in bedroom 301 and she does not have a roommate. Ratio for the green unit was 2:9.

Licensing Specialist inquired about the facility's policy on behavior control measure. Nurse Anthony contacted the DON (Ana) who informed him on the location of the policies. Licensing Specialist was provided with the following policies: Emergency Safety, Suicide Risk, Elopement Precaution, Self-Harm Precaution, and Assault Precaution.
