Licensing Specialist completed a buildings and grounds walkthrough of the following areas: education building, stations one and two, gym, and cafeteria. Licensing Specialist observed the Christmas decoration on

the classroom doors. Licensing Specialist was informed that there was going to be door contest for the best decorated door.

The hallways in the educational building were clean and free of debris. Licensing Specialist observed classroom 318 (ratio 3:14) and classroom 319 (ratio 2:11). Residents were in their seats or talking with staff. Licensing Specialist observed residents in the gym (ratio 3:14). Residents were playing basketball, sitting on the wall, and one resident was sitting by the doorway writing. Licensing Specialist spoke with the resident by the doorway. He informed Licensing Specialist that he was writing a book. When asked how things were going, he stated "Things are okay just some problems with my peers." In the cafeteria, residents were eating, standing around talking, and standing by the trash can (ratio 3:13).

Station one had recently been cleaned, Licensing Specialist could smell the aroma of the cleaner. Licensing Specialist observed the paper decorations that the residents put on the walls of Stations one and two. Station two was being cleaning by housekeeping when Licensing Specialist was walking through. Station two was also being painted. Both stations were clean and free of debris. The courtyard was clean and free of debris.

Licensing Specialist and Ms. Coplin discussed the repairs that were made to the building. Windows have been replaced and the exterior doors have double magnets.
