DISTURBANCE

On 11/28/2022, at 16:47 hours, I was dispatched to 20400 Colonel Glenn in reference to a disturbance.

Upon arrival, I made contact with the caller, William Givens. W. Givens advised that around 16:40 hours, he had been threatened by one of the juveniles who lives in the Crestview House on campus. W. Givens advised that [redacted] had gotten angry with him and told him "I'll burn ya ass up." He advised that [redacted] misbehaves often and struggles to get along with him and other students.

I then spoke with [redacted] advised that he did state what W. Givens accused him of but that he meant "burn" to mean he would insult him. He repeatedly stated that he used the term burn similar to a way the word "roast" is used, as if to insult or make fun of someone else.

I had a long conversation with [redacted] about the words he uses and how they are perceived by others. I reiterated that as he gets older, the consequences for his actions get greater. [redacted] was able to admit that he has an issue with authority and being told what to do. We discussed this issue at length and agreed that he needs to learn to deal with it in ways that do not result in the police being called on him.

W. Givens was given a report number and instructed to contact PCSO if any additional incidents occur.
