Primary Narrative By Jeremy Lawson, 02/21/23 21:38

Information

On 2/21/2023 at approximately 1724 hours I responded to the Colonel Glenn Youth Home to assist MEMS with a suicidal juvenile. Upon my arrival I made contact with the staff and they advised that the juvenile was completely calm and compliant. I waited for ambulance outside as the building was unmarked and it took me several tries to find the right location. After several minutes of waiting the staff advised that their medical staff made the decision to transport the juvenile to the treatment facility in the company van that was assigned to the cottage. I advised dispatch that they could 10-22 the ambulance. I then went back into service.
