Licensing Narrative: Licensing specialist sent email to DON Ana Salzar requesting information about nursing and/or therapeutic interventions in place to ensure the safety of this resident. Ms. Salazar advised that resident has been placed on self-harm precautions, constant LOS, and facility is working to re-direct behaviors. Licensing specialist will follow up with facility therapist at next unannounced licensing visit, planned for 1/19/2023, to view safety plan and inquire if there are specific therapy goals/interventions in place to address

resident's self-harm behaviors. 1/19/2023: per facility CEO resident remains on precautions and facility plans to create an individualized behavior management plan for her.
