Date of Incident: 1/22/2023

Date Received by DCCECE: 1/23/2023

Facility Name: Perimeter of the Ozarks

Facility Number: 237

Facility Type: Residential

Incident Type: Licensing

Report Description: Name: ██████████, DOB: ██████████, Guardian: Ward of State (AR) - notified Incident: 01/22/23 approximately at 1230PM Precaution safety plan: Suicide Risk, for 7 days LOS constant Police were called: N/A It was reported by staff to this RN that the resident became dysregulated at approximately 1230 in the cafeteria. It was reported that she became upset that she ate chicken so she sat in the corner of the dining room behind the TV. Staff attempted to regulate the resident but she remained uncooperative. ██████ ran and attempted to jump through the cafeteria window to the kitchen. Staff was able to prevent the resident from entering the kitchen. ██████ returned to their unit after this incidence but attempted to run off the unit when other residents were returning. ██████ had a rip in their paper scrub shirt and was taken off the unit for a new pair of paper scrubs. ██████ was changing in the seclusion room and used the scrubs to tie around her neck. RN removed the material from ██████'s neck. ██████ began to calm down and was able to process with staff. RN assessed for injury and noted a small bruise on the right side of ██████'s neck, no first aid was required. C-SSRS suicide risk assessment done with resident, ██████ scored high risk. They will remain on suicide precautions for the next 7 days.
