Notice of Serious Incident

Date of Incident: 3/1/2023

Date Received by DCCECE: 3/2/2023

Facility Name: Perimeter of the Ozarks

Facility Number: 237

Facility Type: Residential

Incident Type: Licensing

Report Description: [REDACTED] Client was in quiet room due to previous maladaptive behavior. Staff was present due to current LOS. Client became escalated while in the quiet room and began self harm with her fingers. Staff intervened using physical management in order to prevent client from harming herself. Due to the inability to regain a state of calm, emergency medication was administered per practitioner ordered. After, client began to calm as verbally assisted by therapist. As client began to calm and have a willingness to display safe behavior, client was released from the physical hold. Client continued on 1:1 LOS for safety.

Interim Action Narrative:

Maltreatment Narrative:

Licensing Narrative: Resident was on 1:1 constant LOS precaution at time of visit today per safety plan. She is currently programming separately due to severity of her behaviors. The facility has made several acute care referrals for resident with no accepting facility as of this date.
