Narrative:

Review of your agency's current mandated reporter policy has revealed a concern with the Licensing Unit.

Technical assistance was provided to the agency on Arkansas mandated reporting, R102.3.h, and R110.9.

Please ensure that your current policy is updated to reflect the need of all staff to report directly to the child abuse hotline without delay. All reports will be screened by the Child Abuse Hotline to determine if they meet criteria for investigation. The updated policy shall be submitted to the Licensing Unit by 4/14/23 and all applicable staff should be retrained on the updated policy within two weeks of the enactment of the updated policy at the agency.
