CSSRS completed resident scored high.

Interim Action Narrative:

Maltreatment Narrative:

Outcome:

Licensing Narrative: Licensing reviewed this incident and discussed with DON Ana Salazar if the resident would be assessed for acute care. The resident is not being assessed for acute care, because it is beleived that the attempts are more attention seeking behaviors as the

resident could not reach her parents via telephone for the holidays. The resident has had not reported self- harm attempts since she was able to reach her parents via phone.
