Licensing Specialist viewed camera footage on 1/6/2023 for incident on 12/31/2022. It was reported that resident was in a physical altercation with a peer and complained of left cheek pain with swelling and bruising.

Licensing Specialist observed ratios of 1:6 and 1:6. Residents were leaving the gym and the other residents had already left the gym. Licensing Specialist observed the resident what appeared trying to approach his peer. The peer was observed walking away from the resident. The resident was observed running by staff to get to his peer. The peer ran in the opposite direction with the resident following. Staff was observed running after the resident.

Due to the angle of the camera, Licensing Specialist was unable to view the altercation on the courtyard. Licensing Specialist did observe both staff members at the location of the altercation. Each staff had a resident, and they were separated.

Licensing Specialist did not observe any licensing concerns on the camera footage. Staff were in ratio, 2:12.
