During the course of a complaint investigation on a different matter, it was discovered that the current Clinical Director at the facility is not licensed as a mental health professional in the state of Arkansas as recognized by the state of Arkansas. **This is a violation of standard 906.1.c.**

The licensing unit met with the management of the facility on 1/10/2023 to discuss this issue. The facility reports that the current Clinical Director is licensed out of state and is working on gaining reciprocity in the state of Arkansas. Please ensure that arrangements are made to have a therapist licensed in the state of Arkansas fulfill the role of Clinical Director until the current Clinical Director is able to gain reciprocity in Arkansas.
