Regulations Needing Technical Assistance:

Regulation Not Applicable:

Regulations Not Correctable:

Narrative:

Unannounced bimonthly facility visit today.

Ratio: all classrooms were in ratio at time of visit:

1st classroom- 3:10

2nd classroom: 3:12

3rd classroom: 3:13

4th classroom 3:14

Gym 4:14

5th classroom 2:10

East unit--Viewed rooms 301,304, and 305. Rooms/bathrooms were reasonably clean. No obvious safety hazards or contraband identified in bedrooms or in the common area of the unit. All required information posted.

North unit- viewed rooms 203, 208, 202, 205--rooms/bathrooms were clean and free from obvious safety hazards or contraband. Common area of the unit was clean, and no hazards were identified. All required information posted.

West unit- rooms viewed were clean and free from obvious safety hazards/contraband. The wooden lining of Room 106 door has been partially peeled off. Facility provided information that a new door has been order by Weschi. Facility maintenance stated will sand door while waiting for the new door to arrive to prevent residents from peeling pieces off of door to use for self-harm. This is not being cited because facility has provided evidence that they were aware of the issue and are actively addressing the issue. All required information posted.

South unit--bedrooms viewed on unit were clean and free from obvious safety hazards/contraband.

Viewed MARS for the following residents:

██████████--meets regulatory requirements.

██████████--meets regulatory requirements.

██████████--meets regulatory requirements.

██████████--meets regulatory requirements.

██████████--meets regulatory requirements.

Activities--facility is providing several opportunities for outings and recreation for the residents. Licensing specialist viewed activity calendar on the unit. Facility CEO stated that he is working with the residents this weekend to complete a gaga ball pit for the outdoor recreation area. The girls recently went on an outing to a ballet, and there are several outings and activities planned. The facility is working on a hydration initiative prior to spring to ensure the residents stay hydrated while completing outdoor activities during the upcoming warmer weather months.

Viewed 5 personnel records Austin F., Rachel B., Juliana F., Baylee A., Emily C.--no citations--all trainings, background checks, and other required information up to date.

Viewed 4 children's records [REDACTED] no citations--each child has a comprehensive master treatment plan that is updated monthly, and records contained all information and legal documents required by minimum licensing standards.
