Narrative:

Review of the agency's current mandated reporter policy determined that it does not comply with the current law in the state of Arkansas nor the Minimum Licensing Standards.

Technical assistance was provided to the agency regarding the current law on mandated reporting, R102.3.h, and R110.9.

Please ensure that your current mandated reporter policy is updated to comply with A.C.A. 12-18-402 and the Minimum Licensing Standards by **4/12/2023** and provide a copy to the Licensing Unit for review. Once the needed changes have been made, please ensure that all staff are retrained on the new policy **within two weeks** of the new policy going into effect.
