Narrative:

After review of your agency's current mandated reporter policy, it has been determined that it does not comply with the current law in the state of Arkansas nor the Minimum Licensing Standards.

Technical assistance was provided to the agency regarding A.C.A. 12-18-402, R102.3.h, and R110.9.

Please ensure that your current policy is updated to reflect the need of all staff to report directly to the Child Abuse Hotline without delay to come into compliance with A.C.A. 12-18-402, R102.3.h, and 110.9. All reports will be screened by the Child Abuse Hotline to determine if they meet criteria for investigation. The updated policy shall be submitted to the Licensing Unit by **4/13/23** and all applicable staff should be retrained on the updated policy **within two weeks** of the enactment of the updated policy at the agency.
