Licensing Narrative: 11/22/22- Program Coordinator emailed the facility to inquire if video footage is available to review of the restraint. Facility reported there is no video footage of restraint due to camera pointed down at the floor. DON and Director of PI/RM interviewed the resident. Staff members and a supervisor were questioned on the incident. It was

reported that the staff member attempted to place the resident in a Handle with Care one person hold with the resident struggling against the hold and staff member needing to reposition the restraint. The Director of PI/RM reported that the resident expressed no further pain to her or the DON. 11/30/2022, Licensing Specialist reached out the Director of PI/RM. 12/12/2022, Licensing Specialist informed by CEO that no further pain was reported by resident. No licensing concerns noted.
