Date of Incident: 11/24/2022

Date Received by DCCECE: 11/28/2022

Facility Name: Youth Home, Inc.

Facility Number: 128

Facility Type: Residential

Incident Type: Licensing

Report Description: [REDACTED] DOB: [REDACTED] Private Placement PRTF client resides in Mabee House Incident Date: 11/24/22 @ 8:30 PM Incident Description: Self-Injury (Not Suicidal) Staff involved: Carlos Shavers - Observed, Richelle Kumiyama - Nurse, Matthew Chrysler - Nurse, Carmen Mankey - Reporting Staff, Ebony Galmore - Nurse, Joseph Davis - Nurse Events Leading: Pt. confided in another peer how she hurt herself on her THV. This peer came to staff to let her know pt. hurt herself on her pass with a razor blade she found in the trash at the hotel they were in with grandparents. Pt. had deep cuts in both of her thighs. Pt. stated she could not find herself safe. Nursing Assessment 11/24/22 @ 9:25 PM: Client returned from THV (therapeutic home visit). Client shows evidence of self harm, placed on front of house and eyeball status. Wound care provided and client to be sent to ACH to have wound evaluated. Client appeared distraught, shared emotions revolving around family relationships and self image. Encouraged client to use alternative coping skills that would benefit instead of damage the body. Encouraged client to be strong and stay safe. Given options of exercise writing, drawing and processing with staff when feeling the need to self harm. Client contracted for safety. Client spoke with family on the telephone. No other needs identified now, will continue to monitor. Client taken to ER at 11:00 PM Nursing Note 11/25/22 @ 3:42 AM: **** THIS IS NOT A RN FACE TO FACE**** Patient return from ER visit at 342am with new orders. Orders given to MD on call for approval. MD on call approved all orders and mother give consent for patient to take new medications. Patient return with 6 stitches to left lower extremity and right extremity was cleaned no stitches required. Patient currently on FOH and eyeball status. Patient voiced she was tired and need to rest. No further complaints or needs noted at this time Guardian notified 11/24/22 @ 11:04 PM

Interim Action Narrative: Resident was assessed by nursing and referred to AR Children's Hospital for further evaluation. Resident was discharged with new medication, six stitches to her left lower extremity, and her right lower extremity was cleaned. She was placed FOH and eyebal
