Report Description: Incident Report for [REDACTED] DOB: [REDACTED] placement client from [REDACTED] in our PRTF program and resides in Sturgis House
Incident Report date/time: 04/02/2023 2:10pm Location of Incident: Outdoors off Youth Home campus Incident Description: Self Injury(Not Suicidal), Medical Emergency (Trip to ER/Urgent Care) Staff Involved: Gregory Nesdahl-nurse, Broderick Parker Events Leading: We arrived at our location for community outing and staff noticed there was a lot of people at the park. We informed the PTs that staff will assess the situation before we exit the van. PT begin to tell staff what he thought was best for us so. PT would not listen to staff information and immediately became visibly upset and verbally aggressive. I used CPI de-escalation procedures and PT did not calm down. PT wanted to leave but his peers were already engaged in activities. PT became more aggressive and threaten to harm staff. Pt then begin to punch the panel on the inside of the van and visible harmed his right hand. PT walked off and I continued to de-escalate and get him calm. After more conversation he finally calmed down and got in the van so that we could get him medical attention. The shift was informed of the situation and prepped the nurse for our arrival back to the house.
Nursing assessment date/time: 04/02/2023 2:15pm: Patient presents at Sturgis outside main entry door with staff sitting on bench chair. Patient reported by staff to have punched the van dashboard while coming back from outing event. Pt reports pain 8/10 to right hand at Digit 5 and 4 knuckle area. Abrasions, redness, and edema noted at metacarpophalangeal joints at 4 and 5. Patient able to slightly perform some range of movement with pain noted. Cap refill is brisk at distal fingers of right hand. Orders received for transport to ACH for evaluation. 2nd Nursing assessment date/time: 04/02/2023 6:10pm: Patient returned from ACH on 4/2/23 at 4:45pm and no FX on xray.
