Report Description: Name: [REDACTED], DOB: [REDACTED], Notified: [REDACTED] (AR/DHS) On 4/24/23 at approximately 2010, resident used a piece of plastic to rub off old scabbing on forearms. RN called to unit for support. RN processed with resident and resident gave up contraband. This event resulted in minor bleeding that was tended to by nursing. No further incident occurred. Resident has since been placed on a self-harm precaution safety plan with constant line of sight. Therapist will determine appropriate duration and individualization of safety plan.

Interim Action Narrative: Resident was assessed by nursing. She was placed on self-harm precautions and constant line of sight.

Maltreatment Narrative:

Licensing Narrative: 4/26/23- Licensing emailed the facility to request further information. Cassie Sowder with the facility responded the following "The plastic was from a hygiene carrier that she doesn't have free access to. The hygiene carriers are kept in a designated

place and are given to the residents by staff. Residents check them back in after shower time."
