Report Description: Name: [REDACTED] DOB: [REDACTED] Notified: [REDACTED]
(guardian/mom) 5/19/23 at about 7:10 am staff reported that resident had removed bandages and began to self-harm by picking her scabs until they started bleeding again. Resident was able to be verbally de-escalated but would not disclose why she was upset. She only stated to staff that she felt like she had done something wrong and was mad at herself. Area was cleaned and patient was instructed to return to nurse after her hygiene was complete so that the are could be rebandaged. Safety plan initiated. Therapist to consult with resident to determine if additional precautions are needed and the length of time they will remain.
